

Beach House - Heart Of Chambers

tom:

B

B **Eb7** **Abm**
In your heart of chambers
Gb7
Where you sit
B **Eb7**
With your picture books
Abm **Gb7**
And your ancient wit
B **Eb7** **Abm**
In that nook I found you
Gb7
So old and tired
B **Eb7** **Abm** **Gb7**
Would you be the one to carry
B **Eb7** **Abm** **Gb7**
Me? I'd like to be someone
B **Eb7** **Abm** **Db7** **Gb** **Gb7**
You could finally learn to love again, ahh
(**Abm** **Gb7**)

B **Eb7** **Abm**
Made our iron bed side
Gb7
Cold as graves
B **Eb7** **Abm**
So we stoke the organs
Gb7
That may comfort grace
B **Eb7** **Abm**
And they conjured spirits
Gb7
To make you smile
B **Eb7** **Abm** **Gb7**

Would you be my long time baby?

B **Eb7**
I'd like to
Abm **Eb7**
Be someone
Abm **Eb7**
You could finally learn to
Abm **Abm6**
We've put our words
Abm
Down by our sides
Abm6
Let's take the time
Abm
To mend these smiles
Abm6
Together we could make it home
Gb
Love is a prize
Gb7 **B**
Live our own lives

(**B** **Eb7** **Abm** **Gb7**)
(**B** **Eb7** **Abm** **Gb7**)
(**B** **Eb7** **Abm** **Gb7**)
(**B** **Eb7** **Abm** **Gb7**)

B **Eb7** **Abm**
In our beds we're the lucky ones
Em **B** **Eb7** **Abm**
Filled with the sun
B **Eb7** **Abm**
In our beds we're the lucky ones
Em **B** **Eb7** **Abm**
Fill us with the sun
