

# Beach Weather - Fake Nice

tom:  
 C C F Ab C  
 I don't wanna be fake nice no more, no more  
 F Ab C  
 And I wanted to tell you but now what for?  
 F Ab C  
 I don't wanna be fake nice no more, no more  
 F  
 Saying sympathetic somethings  
 Ab C  
 But I'm feeling more like nothing

If I'm being honest  
 F Ab C  
 I've been reckless with my head again  
 And maybe that's a promise  
 F Ab  
 So tonight I'll raise the dead

C  
 So I can sleep at night  
 F Ab  
 For the first time  
 C  
 I hope they don't bite  
 F Ab  
 'Cause I don't have the appetite

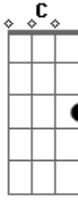

C F Ab C  
 I don't wanna be fake nice no more, no more  
 F Ab C  
 And I wanted to tell you but now what for?  
 F Ab C  
 I don't wanna be fake nice no more, no more  
 F  
 Saying sympathetic somethings  
 Ab C  
 But I'm feeling more like nothing

Sick of being sorry  
 F Ab C  
 I spaced out. What'd you say again?

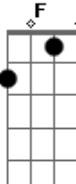

I don't need a party  
 F Ab  
 Just the voices in my head

C  
 So I can sleep at night  
 F Ab  
 For the first time  
 C  
 I hope they don't bite  
 F Ab

'Cause I don't have the appetite  
 C F Ab  
 Karma's a bitch, and I can't control it  
 C F Ab  
 If I floated off, why would anybody notice?  
 C F Ab  
 I cry till I'm tired, but I never show it  
 C F  
 Addicted to a dopamine dream  
 Ab  
 Oh, what a scene!  
 C  
 I'm tired of being fake nice  
 F  
 Tired of never feeling right  
 Ab  
 Tired of the vampires and turnpikes  
 C  
 Tired of the late-night highs  
 F  
 I just wanna stay inside  
 Ab  
 And get lost inside my mind  
 C  
 Make my noise and shatter the world  
 F Ab  
 Then leave it all behind  
 C F  
 Just leave it all behind  
 Ab  
 Leave it all behind  
 C F Ab C  
 I don't wanna be fake nice no more, no more  
 F Ab C  
 And I wanted to tell you but now what for?  
 F Ab C  
 I don't wanna be fake nice no more, no more  
 F  
 Saying sympathetic somethings  
 Ab C  
 But I'm feeling more like nothing  
 C F Ab C  
 But I'm feeling more like nothing  
 F Ab C  
 But I'm feeling more like nothing  
 F  
 Saying sympathetic somethings

 But I'm feeling more like nothing
