

Beady Eye - Ballroom Figured

Tom: G
Intro: G G Em x2

G G Em
Did you ever loan me that song?
G G Em
Did you ever know me at all?
G G Em
You listen to the world going wrong,
G G Em
Looking through a hole in the wall

G G Em
Shovin' our lovin' away,
G G Em
Leaving our light on the side
G G Em
Never once looking to say,
G G Em
We got the ride of our lives

C D2
Did we ever find a way,
G G Em
To steer through the cold light of day?
C D2
Cause we're just passing through,
A C
And it ain't what you done but it is what you do

G G Em
Soon as time comes and goes,
G G Em
Soon on the verge of who knows
G G Em
A sound, we're dancing around
G G Em

Turn up the music and drown

C D2
Did we ever find a way,
G G Em
To steer through the cold light of day?
C D2
Cause we're just passing through,
A C
And it ain't what you done but it is what you do

G G Em
Let's go
G G Em
Let's go

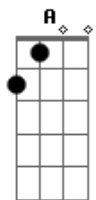

Bm
Some people change,
C
Move out of range,
Bm
All in a day,
C D2
So long,
D2
So long

G G Em x2 (repetir estes acordes até o final)

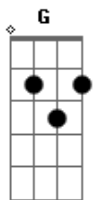

So let's go
Let's go
Let's go
Let's go

Did you ever loan me that song?
Did you ever know me at all?...
