tom:

C

C Am Em

Spiky love left your wounds bleeding

Looking for ways to disguise

Am Em

The need of a hug to call home

C

Cause every search's ended in spite

F C Am

But please, you must believe

Em

You don't have to change

F C Am

True love doesn't seek

Trade your fears for true love

Just put your stones down

And guard your own heart

No one's supposed to be set apart

C Am Em F

Heaven is a one-room home

C Am

You must believe

Em

You don't have to change

F C Am

True love doesn't seek

Em F

Nor does it demand, its own ways

You don't have to fight to be right
