

# Beartooth - In Between

Tom: **D**

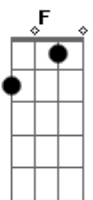

**D**  
Life just sucks when all you know is the bottom  
**D**  
It's not your choice, there's no escaping it  
**D**  
Get up and run as far as you can  
**D**  
Head to higher ground while there's a chance to live  
  
**Bb**  
Don't run away, run away, runaway  
**A**  
Don't run away, run away, runaway (run)  
  
**F**  
Up on the mountain I see down below  
**G**  
It's easy to lose yourself I know  
  
**C**  
Can't hear what you're shouting, I'm deaf to your show  
**G**  
It's easy to lose your self control  
**F**  
Everybody gets high, everybody gets low  
**G**  
Life can be such overdose  
**F**  
Up on the mountain I see down below  
**G**  
It's easy to lose yourself I know in the in between  
  
**D**  
Life's so dark when everyday is a struggle  
**D**  
Why go out and see the world on fire  
**D**  
Don't let your mindset become what controls you  
**D**  
Speak right now and make the choice to grow  
  
**Bb**  
Don't run away, run away, runaway  
**A**  
Don't run away, run away, runaway (Run!)  
  
**F**  
Up on the mountain I see down below  
**G**  
It's easy to lose yourself I know

**F**  
Can't hear what you're shouting, I'm deaf to your show  
**G**  
It's easy to lose your self control  
**F**  
Everybody gets high, everybody gets low  
**G**  
Life can be such overdose  
**F**  
Up on the mountain I see down below  
**G**  
It's easy to lose yourself I know in the in between  
  
**D**  
Oh  
**D**  
In the in between  
**D**  
I won't let pain get in my way  
**Bb**  
I can't have silence claiming me  
**F**  
We have strength in numbers, strength in numbers  
**C**  
To get us through the day  
**D**  
No compromises to be made, this is a war we're gonna win  
**F**  
We have strength in numbers, strength in numbers  
**C**  
To get us through the day  
  
**F**  
Up on the mountain I see down below  
**G**  
It's easy to lose yourself I know  
**F**  
Can't hear what you're shouting, I'm deaf to your show  
**G**  
It's easy to lose your self control  
**F**  
Everybody gets high, everybody gets low  
**G**  
Life can be such overdose  
**F**  
Up on the mountain I see down below  
**G**  
It's easy to lose yourself I know in the in between  
  
In the in between  
In the in between
