

# Beatriz Midori - Take Me Away

Tom: G

Why do you lie today ?  
 The truth will appear tomorrow , tomorrow  
 Undoing your illusion castle  
 Don't cry, that happens , that happens

And I just wanna go out  
 Leave this old world  
 Leave people like you

Take me away , Take me away  
 Take me away I want to know the paradise  
 Take me away , Take me away  
 Take me away I want to know the paradise

Why do you love things ?  
 The people want more love , less hate, less hate

Undoing your ilusion game  
 Don't go , that happens , that happens

And I just wanna go out  
 Leave this old world  
 Leave people like you

Take me away , Take me away  
 Take me away I want to know the paradise  
 Take me away , Take me away  
 Take me away I want to know the paradise

You can be better than you are today  
 I can be better than I am  
 Maybe I can stay one more day  
 But I'll leave this old world  
 Leave people like you
