

# Beau Brístow - Sign Me Up

tom:

Intro: **Bb** **Gm** **A**  
**Bb** **Eb** **Ab**

**Bb** **Gm** **Ab**  
"What am I doing here?" Says an inner voice, that reads my  
choice  
**Bb** **Eb** **Ab**  
And adds aside, that I've lost my mind, cause my class  
Was left but I turned right  
**Gm** **Ab**  
But I've seen her here before  
**Bb** **Eb**  
So will she show in time to justify, what's sure to buy  
**Ab** **Bb**  
Me tardy number four  
**Gm** **Db** **Eb**  
Cause all I need's a smile and "hi"

[Refrão]

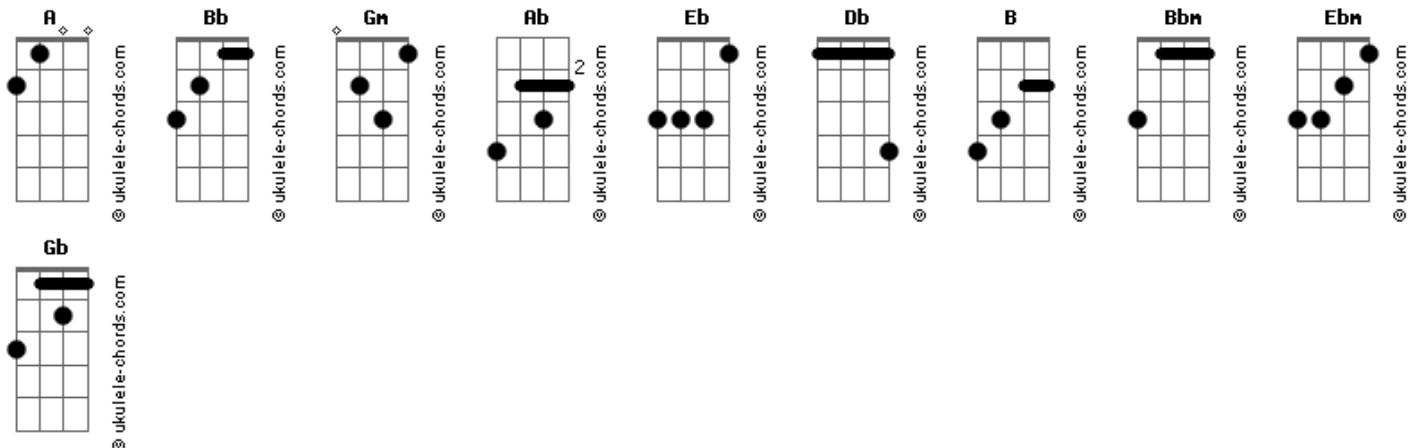

**Ab** **Eb** **Bb**  
And I'd go wherever you'd take me  
**Eb**  
I'm with you to anywhere at all  
**Ab** **Eb** **Bb**  
Your tears could never escape me  
**Eb** **Ab**  
I'd be there to catch them as they fall

**Eb** **Bb**  
The glass shoe fits, and I'd prove it  
**Eb**  
Cause my heart will always have enough  
**B** **Bbm** **Ab**  
So if you need someone to love you  
Baby just sign me up

( **Bb** **Gm** **Ab** )  
( **Bb** **Eb** **Ab** )

**Bb** **Gm** **Ab**  
I get a phone call, and my heart skips two, so I know that  
it's you  
**Bb** **Eb**  
Saying the day gone by needs a cookie-bakin' night, and

## Acordes

You've got some left  
**Bb**  
If I want they're mine  
**Gm** **Ab**  
So I drop by, and it's getting late, still got a lot to do  
**Bb** **Eb**  
But you're looking so cute, in your pink pajama suite  
**Ab** **Bb**  
That I just can't help but stay  
**Gm** **Ebm** **Db**  
Then I see the rain drops in your eyes, your big brown  
**Eb**  
Eyes and I know that

[Refrão]

**B** **Bbm** **Bb** **Ab**  
So tell me where do I apply, to be the man that I don't  
**B** **Bbm**  
See here by your side  
**Gb** **Bb**  
Won't you show me, show me, the dotted line

[Refrão]

**Ab** **Eb** **Bb**  
And I'd go wherever you'd take me  
**Eb**  
I'm with you to anywhere at all  
**Ab** **Eb** **Bb**  
Your tears could never escape me  
**Eb** **Ab**  
I'd be there to catch them as they fall

**Eb** **Bb**  
The glass shoe fits, and I'd prove it  
**Eb**  
Cause my heart will always have enough  
**B** **Bbm** **Ab**  
So if you need someone to love you  
Baby just sign me up

[Final] **Bb** **Gm** **Ab**  
**Bb** **Eb** **Ab**

Baby just sign me up  
Baby just sign me up
