Db
 When I met you

 I was focused

 Full of love and
B
 Pure devotion
Db
 Are you happy

 That I folded
E
 Just to lay down

 I need to walk it off
E
 I take my liquor with no chaser

 So I can toughen up
Db
 You wanna be a man
A
 Then be the man you're talking 'bout
E **B**
 And put your money where your mouth is baby

Db **A**
 I've been hurting all day
E **B**
 But daddy don't cry
Db **A**
 So I'm dancing my tears away
E **B**
 The light is all it takes
Db **A**
 But if we're dancing in the dark
E **B**

At least we're dancing our fears away

 Now I'm going
A
 Through the motions
E
 I'm convinced that
B
 Love is hopeless

 If I leave now
E
 Will you notice?
A
 If I stay here
B
 Will you rip me open?
