

## **Bebe Rexha - I Got Time**

```
Intro: Gb Bbm Ebm
       Gb Bbm Ab
I just wanna do what I want (what I want, just)
                               Ebm
I don't want no one to tell me nothing (nothing, no)
I just wanna live how I want (how I want, woo)
I don't wanna hear nothing about it
'Cause I got time, I got time
I'll go and get high if I wanna get high
          Ab
Love who I want
'Cause I got time, I got time
            Ebm
                          Bbm
'Cause I got time, I got time, I got time
     Fm
And right now I ain't worried 'bout none
Yeah, right now I ain't worried 'bout none
Yeah, right now I ain't worried 'bout none
I do what I wanna
I run up the commas
                Dh
We mix marijuana with a cup of liquor
All my friends are monsters, I don't need no sponsors
            Db
                              Ah
Spend this money now 'cause I might not be here tomorrow
             Bbm
I mix-match designers, I'm a fashion statement
                  Ab
I'm elevated high but I started on the pavement
                           Bbm
Yeah, I came from nothing, turned it into something
Look into the mirror tell myself "I'm fucking awesome"
I just wanna do what I want (what I want, just)
I don't want no one to tell me nothing (nothing, no)
I just wanna live how I want (how I want, woo)
```
