

Bebe Rexha - Sacrifice

tom:
Capostrate na 2ª casa

[Primeira Parte]

I'ma need those eyes focusin' on me
Middle of the night, I'm the only star you see
I'ma need those hands runnin' over me
'Cause I ain't that type to let you go easy

[Pré-Refrão]

So say goodbye to every other girl
In the night behind you
Now you're mine
Tell me what you willin' to sacrifice, ooh

[Refrão]

Sacrifice
When it comes to me, don't want no compromise
This should be the only body on your mind
When it comes to me, I'm down for life
So tell me, would you sacrifice?

[Ponte]

Tell me, would you sacrific??
Tell me, would you sacrifice?

[Segunda Parte]

Wanna b? the air everytime you breathe
Runnin' through your veins and the spaces in between

I wanna feel your heart every time it bleeds
Livin' in your brain, there's only room for me

[Pré-Refrão]

So say goodbye to every other girl
In the night behind you
Now you're mine
Tell me what you willin' to sacrifice, ooh

[Refrão]

Sacrifice
When it comes to me, don't want no compromise
This should be the only body on your mind
When it comes to me, I'm down for life
So tell me, would you sacrifice?

[Ponte]

Tell me, would you sacrific??
Tell me, would you sacrifice?

[Final]

Sacrifice your body to the rhythm of mine
The rhythm, the rhythm of mine
Sacrifice your body to the rhythm of mine
The rhythm, the rhythm of mine
Sacrifice your body to the rhythm of mine
The rhythm, the rhythm of mine
Sacrifice your body to the rhythm of mine
So tell me, would you sacrifice?
