

Beck - E Pro

Tom: **G**

Album: Guero
 Tabbed by: Dan Benz (DanS)

off of their album "Guero". The main guitar riff is very catchy, and to try to get it out of my head I have tabbed it here.

a quarter step. I spent a short time wondering what was wrong with my guitar and why it sounded slightly off no matter how I played it.

The dots under the tab are just to show where the beat is.

Tuning: 1/4 step down!

Lyrics:

See me comin to town with my soul
 Straight down out of the world with my fingers
 Holding onto the devil that I know
 All my troubles 'll hang on your trigger
 Take your eyes and your mind from the road
 Shoot your mouth off but look where you're aiming
 Don't forget to pick up what you sow
 Talking trash to the garbage around you

See me kickin the door with my boots
 Broke down out in a ditch of old rubbish
 Snakes and bones in the back of your room
 Handing out a confection of venom
 Heaven's drunk from the poison you use
 Charm the wolves with the eyes of a gambler
 Now I see it's a comfort to you
 Hammer my bones on the anvil of daylight

I won't give up that ghost
 It's sick the way these tongues are twisted
 The good in us is all we know
 There's too much left to taste that's bitter

Na na na na na na na...
