Give the finger to the folk singer
I'm sure he'd appreciate it deeply

When there's smoke and there's grease and an unperfect peice
The free n' easy letdown will make it all come alive

That's why
I got no mind
I got no mind
I got no mind

MAIN GUITAR SOLO

That's why
I got no mind
I got no mind
I got no mind

Makeshift scene mildly insulting
You really said it when you said I was just a scavenger
There's a headbanging corpse, just take it to the source
Take the plug, unplugged, plug it up, rip the plug right outta the wall

Eb That's why
I got no mind
I got no mind
I got no mind
That's why
I got no mind
I got no mind
I got no mind

Pump up the volume
Pump up the volume
Pump up the volume
Pump up the volume
thanks,

chris
