Song title: The Horrible Fanfare/Landslidexoskeleton

Album: The Information

Standard Tuning

Main riff (it can be heard in the background)

Then:

I took a shot at the little synth riff or whatever. Its similar to the one in Cellphone's Dead (You can't hurt someone for trying)

## **Acordes**

This comes randomly throughout the song. I think it usually comes in the beginning and end, but I'm not sure

Solo/Interlude/whatever you wanna call it:

That also comes randomly in the song

```
| / slide up
| \ slide down
| h hammer-on
| p pull-off
| ~ vibrato
| harmonic
| x Mute note
```
