when the moon is a counterfeit
 better find the one that fits
 better find the one that lights the way for you

when the road is full of nails,
 garbage pails and darkened jails
 and their tongues are full of heartless tales that drain on you

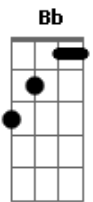

who would ever notice you
 you fade into a shaded room
 it's such a selfish way to lose
 the way you lose these wasted blues, these wasted blues

tell me that it's nobody's fault nobody's fault but my own
 tell me that it's nobody's fault nobody's fault but my own
 etc.
