

Bee Gees - Alone Again

Tom: C
Intro: C G Am G F Em Dm C Em

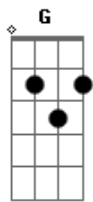

'leaving'
That's all you ever seem to say
And i'm tired.
The wants you have me for have expired.
sleeping
And reading every book i can find
To get my mind off.
In all i was a soul you were using.
I am alone again.
You can't believe the tears that i've shed.
I'm an abandoned train.
Don't desert me now or i am dead.
people,
The sun is going down on your heads,

So read your paper,
There's no one there for you to confide in.
It's instinct
To always to have a shoulder to cry on
And to rely on,
Someone there to share and to shine on.
I am alone again.
You can't believe the tears that i've shed.
I'm an abandoned train.
Don't desert me now or i am dead.
I am alone again.
You can't believe the tears that i've shed.
I'm an abandoned train.
Don't desert me down or i am dead.
I am alone again.
You can't believe the tears that i've shed...
