

# Bee Gees - An Everlasting Love

Tom: D

Introdução: A G Gbm G Gbm Bm E

I've been here all your life  
Watching your crying game  
You were the heaven in my lonely world  
And he was your sun and your rain  
I was losing you before I ever held you tight  
Before you ever hold me in your arms  
And I won't make you blue  
And maybe an everlasting love will do

Refrão:

I've got an everlasting love  
So tall, so wide, so high  
Above the rumble of thunder down below  
It's your love I need  
It's the only show  
And it's you on an everlasting dream  
Can take us anywhere  
Are the tears of yesterday  
We killed the pain  
We blew away the memories of the tears we cried  
And an everlasting love will never die

Passagem: A G Gbm G Gbm Bm E

Take me out of the cold, give me what I've waited for  
If it's the pleasure of taking my heart that you need  
Then it only makes me love you more  
I was yours before the stars were born  
And you were mine  
I could have saved you all the pain you knew  
And I won't make you cry  
And maybe an everlasting love can try
