

# Bee Gees - And The Sun Will Shine

Tom: G

<sup>D7</sup> And the <sup>G</sup> rain will <sup>D</sup> fall,  
<sup>C</sup> it falls for you. <sup>Em</sup>

And the clouds will  
<sup>Bm</sup> break into <sup>Em</sup> tears,  
<sup>Bm</sup> you should be <sup>Em</sup> here  
<sup>Bm</sup> standing so near to <sup>Am</sup> me.

<sup>D7</sup> Cept I <sup>Gm</sup> know you  
<sup>F</sup> should be sad.  
<sup>Eb</sup> But give me <sup>Ab</sup> time alone  
<sup>Eb</sup> to get it out of <sup>D7</sup> my mind.

<sup>Gm</sup> Though I say  
<sup>F</sup> I know it's only <sup>Bb</sup> the weather.  
<sup>Eb</sup> 'Cause every time <sup>Ab</sup> it rains  
<sup>Eb</sup> you are gone.  
<sup>D7</sup> And I'm blue.

Then I wake up,  
then I wake up.

<sup>G</sup> And the <sup>D</sup> sun will <sup>Em</sup> shine  
<sup>C</sup> if just for you. <sup>D</sup>  
And the trees will talk to the <sup>Em</sup> skies  
<sup>Bm</sup> whispering <sup>Em</sup> lies,  
<sup>Bm</sup> heaven will fly to <sup>Am</sup> me, yeah.

<sup>D7</sup> Trains walk <sup>Gm</sup> back  
<sup>F</sup> and the <sup>Bb</sup> birds disappear.  
<sup>Eb</sup> But why am I still <sup>Ab</sup> here

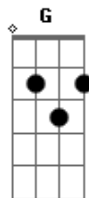

<sup>Eb</sup> without you by <sup>D7</sup> my side?

<sup>Gm</sup> So I cry your <sup>F</sup> name  
and know,  
<sup>Eb</sup> cause love to me is <sup>Ab</sup> life and I <sup>Eb</sup> live <sup>D7</sup> you.  
Then I wake up,  
then I grow up.

<sup>G</sup> And the <sup>D</sup> rain will <sup>Em</sup> fall.  
<sup>C</sup> It falls for you. <sup>D</sup>

And the clouds will <sup>Bm</sup> break.  
<sup>Bm</sup> You should be <sup>Em</sup> here...
