

Bee Gees - Angela

Tom: A

^G
An gela, I'm still ^A alive.

^G
An gela, I'm still ^A alive.

^{A7} ^{Gbm7}
The sun and the sea,

^E
the darkness and the rain,

^{D7M}
all the pain don't get no better,

^E
it gets stronger every day.

^{Bm7}
It happens to be true

^A ^A
that I still pray to you, my love.

^{Bm7}
Voices in the night don't help

^A ^A
my searching for the truth, my love.

^{D7M}
And when I'm lost

^E
and high above the storm I hear your name,

^{D7M}
I'm empty inside, I'm empty inside,

^A
and where are you.

^G ^A
An gela, I'm still a live.

^G ^A
For the two of us, I'm still a live.

^{A7} ^{Gbm7}
You've got to imagine us,

^E
all the world was on our side,

^{D7M}
we had the power of the universe
and we were ready,

^E
we were ready for the ride.

^{Bm7}
And moonlight in her hair,

^A ^A
her eyes, the wonder of the age,

^{Bm7}
but all I mean to you, my love,

^A ^A
is just a spotlight on an empty stage.

^{D7M}
And through it all,

^E
one fire in the rain
keeps burning on, keeps burning on.

^{D7M}
I can't stop my heart,

it's beating for you,
reaching for you

^E
but you were gone.

^{D7M}
I'm empty inside, I'm empty inside,

^A
and where are you.

^G ^A
An gela, I'm still a live.

^G ^A
For the two of us, I'm still a live.

^G ^A ^F
Angela, I'm still a live.

^G ^A
aahh ahh

^G ^A
Angela, I'm still a live
