

Bee Gees - Angela

Tom: **A**

G **A**
An gela, I'm still alive.

G **A**
An gela, I'm still alive.

A7 **Gbm**
The sun and the sea,

E
the darkness and the rain,

D
all the pain don't get no better,

E
it gets stronger every day.

Bm
It happens to be true

A **A**
that I still pray to you, my love.

Bm
Voices in the night don't help

A **A**
my searching for the truth, my love.

D
And when I'm lost

E
and high above the storm I hear your name,

D
I'm empty inside, I'm empty inside,

A
and where are you.

G **A**
An gela, I'm still a live.

G **A**
For the two of us, I'm still a live.

A7 **Gbm**
You've got to imagine us,

E
all the world was on our side,

D
we had the power of the universe

and we were ready,

E
we were ready for the ride.

Bm
And moonlight in her hair,

A **A**
her eyes, the wonder of the age,

Bm
but all I mean to you, my love,

A **A**
is just a spotlight on an empty stage.

D
And through it all,

one fire in the rain

E
keeps burning on, keeps burning on.

D
I can't stop my heart,

it's beating for you,

reaching for you

E
but you were gone.

D
I'm empty inside, I'm empty inside,

A
and where are you.

G **A**
An gela, I'm still a live.

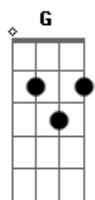

G **A**
For the two of us, I'm still a live.

G **A** **F**
Angela, I'm still a live.

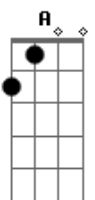

G **A**
aahh ahh

G **A**
Angela, I'm still a live
