

Bee Gees - Children Of The World

Tom: **Gb**

(com acordes na forma de **Eb**)

Capostrate na 3ª casa

Ah, ah ah ah, we are children of the world - watching every day go by

Changes my life, changes your life - keeps us all anticipating

Ah, ah ah ah, we are searchers of the truth, every man's a boy deep down

Gotta say it how you mean it - there ain't no easy way

Like a bird in the wind, like a tree in the storm

Like the breath of a child from the moment he's born

To the very last day when the curtains are drawn

Ah, ah ah ah, we are children of the world - asking every question why

From arrival to survival - just to make it worth the waiting

Ah, ah ah ah, we are faces in the night - watching every day go by

Changes my life, changes your life - there ain't no easy way

In the back of your mind there is always a mark

There's a wandering solo alone in the dark

You can keep it forever or tear it apart

Solo: **Dm Em Fm Cdim Bm Bm G**
