

Bee Gees - Edge Of The Universe

Tom: **D**

D
Just my dog and I
G **D** **G**
at the edge of the universe.
D
Well, I didn't wanna bring her
G **D** **G**
and I know it'll make her worse.

Em **Gbm**
Now I look out on forever
Em **A**
and it must be nice down there.
Em **A** **D**
And they call me Shenandora in the air.

Well, I'm ten feet tall,
but I'm only three feet wide.
And I live inside an ocean that flows
on the other side.

If I came back down
would it all be far too soon?
And it looks like it's gonna be a lovely afternoon.

B **E** **Gb** **B**
I thought that I was going home,
E **Gb** **B**

and all the way I kept on prayin'.
E **Gb** **B**
I couldn't stop to turn around;
E **Gb** **G** **A**
well, here I am and here I'm stayin'.

It's been my longest journey
and I've come through the black of night.
I was tired and hungry
when I saw your distant light.

Well, I know this may sound crazy,
but I'm sure I got here first.
I'm just me, Shenandora,
at the edge of the universe.

I thought that I was going home,
and all the way I kept on prayin'.
I couldn't stop to turn around;
well, here I am and here I'm stayin'.

Just my dog and I
at the edge of the universe.
Well, I didn't wanna bring her
and I know it'll make her worse.

Now I look out on forever
and it must be nice down there.
And they call me Shenandora in the air.

At the edge of the universe...
