Bee Gees - Eyes That See In The Dark

Tom: E Intro: E A Gbm B

F Ghm You're not meant to be alone, I'll share your dream E I'll show you love you've never known Db Dbm Gb Two flames united in the deep of the night E I'm up in your love close by you when you call Gbm I'll take my stand one chance to make or lose it all Dbm Gb Db This time my journey to wherever you are E A I sail on your river so far my love we'll never be found Gbm If you believe

E A Gbm Moonlight shining on your face, my bridges burned E With all my tears that you replaced Dbm Gb Db Two hearts together is a beautiful sight E A B A I'll take you to heaven so far my love will follow you there Gbm If we believe

В

 B
 A

 Like the eagle that flies in the sun
 B
 A
 E

 I'll be lost in your fire before we are done
 B
 A
 E

 And the view from my window is brighter
 Born to be all you need
 B
 B

F Α We got eyes that see in the dark E Gb Α And the power of love is for making you mine E A В Am I the light of someone you need more of E A B Let me be that love you can be sure of E A B Is it only my imagination Α I got you
