**D**  
Shadows falling , baby , we stand alone

**D**  
Out on the street everybody you meet got a heartache of their own

**Bm**  
It oughta be illegal

**Gbm Bm Gbm**  
Make it a crime to be lonely or sad

**Bm**  
It oughta be illegal

**Gbm Bm**  
You got a reason for livin'

**C**  
You battle on with the love you're livin' on

**E**  
You gotta be mine

**D E**  
We take it away

**D E D E**  
It's gotta be night and day

**D E**  
Just a matter of time

CHORUS

**D**  
And we got nothing to be guilty of

**G**  
Our love will climb any mountain near or far , we are

**A D**  
And we never let it end

And we got nothing to be sorry for

Our love is one in a million

**G A D**  
Eyes can see that we got a highway to the sky

**Bm D**  
Don't wanna hear your goodbye

**Bm D**  
Dont wanna hear your goodbye

Pulse's racing , darling  
How grand we are  
Little by little we meet in the middle  
There's danger in the dark  
It oughta be illegal  
Make it a crime to be out in the cold  
It oughta be illegal  
You got a reason for livin'  
You battle on with the love you're buildin' on  
You gotta be mine  
We take it away  
It's gotta be night and day  
Just a matter of time
