

# Bee Gees - Heart Like Mine

Tom: G

<sup>G</sup> <sup>C</sup>  
Night grows cold,  
<sup>G</sup> <sup>D</sup>  
I've been lonely so much  
<sup>G</sup> <sup>C</sup>  
out of reach,  
<sup>G</sup> <sup>D</sup>  
save it only for me

<sup>G</sup> <sup>D</sup>  
Nothing in life is the same  
<sup>Am</sup> <sup>C</sup>  
and the sooner we stop to start

<sup>G</sup> <sup>D</sup> <sup>C</sup>  
and there's a heart like mine  
<sup>G</sup> <sup>D</sup>  
somewhere in this world  
<sup>G</sup> <sup>D</sup> <sup>C</sup>  
there's a heart like mine  
<sup>G</sup> <sup>D</sup>  
beating but left to burn

<sup>G</sup> <sup>C</sup>  
Maybe you can hide your face forever  
<sup>D</sup>  
God Knows it's true  
<sup>G</sup> <sup>C</sup>  
that when you search for someone

<sup>C</sup> <sup>G</sup> <sup>D</sup>  
there's a heart like mine  
<sup>C</sup> <sup>D</sup>  
there's a heart like mine,  
<sup>G</sup>  
to be heard

<sup>G</sup> <sup>C</sup>  
Souls on fire  
<sup>G</sup> <sup>D</sup>  
feel her voice in your ear  
<sup>G</sup> <sup>C</sup>  
she goes on  
<sup>G</sup> <sup>D</sup>  
living only for me

<sup>G</sup> <sup>D</sup>  
nothing you say could be wrong  
<sup>Am</sup> <sup>C</sup>  
'cause you give me the lovers sign  
<sup>G</sup> <sup>D</sup> <sup>C</sup>

and there's a heart like mine  
<sup>G</sup> <sup>D</sup>  
somewhere in this world  
<sup>G</sup> <sup>D</sup> <sup>C</sup>  
there's a heart like mine  
<sup>G</sup> <sup>D</sup>  
beating but left to burn

<sup>G</sup> <sup>C</sup>  
Maybe we can share it all forever  
<sup>D</sup>  
but not til we do  
<sup>G</sup> <sup>C</sup>  
I'm gonna search for someone

<sup>D</sup> <sup>C</sup> <sup>G</sup>  
there's a heart like mine  
<sup>D</sup> <sup>C</sup>  
there's a heart like mine,  
<sup>G</sup>  
to be heard  
<sup>G</sup> <sup>C</sup>  
and baby are we waking up together  
<sup>D</sup>  
'cause God knows it's you  
<sup>G</sup> <sup>C</sup>  
if there is love for someone

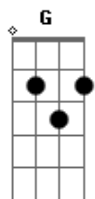

<sup>G</sup> <sup>D</sup> <sup>C</sup>  
and there's a heart like mine  
<sup>G</sup> <sup>D</sup>  
somewhere in this world  
<sup>G</sup> <sup>D</sup> <sup>C</sup>  
there's a heart like mine  
<sup>G</sup> <sup>D</sup>  
beating but left to burn

<sup>G</sup> <sup>C</sup>  
Maybe we can share it all forever  
<sup>D</sup>  
but not til we do  
<sup>G</sup> <sup>C</sup>  
I'm gonna search for someone

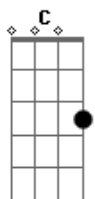

<sup>D</sup> <sup>C</sup> <sup>G</sup>  
there's a heart like mine  
<sup>D</sup> <sup>C</sup>  
there's a heart like mine,  
<sup>G</sup>  
to be heard

<sup>D</sup> <sup>C</sup> <sup>G</sup>  
there's a heart like mine  
<sup>D</sup> <sup>C</sup>  
there's a heart like mine,
