

Bee Gees - How Deep Is Your Love

```
Refrão:
Intro: 2x: Eb Eb7 Ab7 Ab
                                                             Is your love, how deep is your love
Verso 1:
I know your eyes in the morning sun
                                                              I really mean to learn
                                                                                              Bbm
           Fm
I feel you touch me in the pouring rain
                                                              'Cause we're living in a world of fools breaking us down
       Eb
                      Gm
And the moment that you wander far from me
                                                             When they all should let us be
      Fm
                                                                  Abm
                         Ab
I wanna feel you in my arms again
                                                             We belong to you and me
                                                             Vocalização:
And you come to me on a summer breeze
                                                                          Eb
                                                                                    Gm
       Fm
Keep me warm in your love, then you softly leave
                                                             La la la la la la la la la la
                                                                          Fm
       Gm
                     Ab
                                                                                     G7
And it's me you need to show
                                                              La la la la la la la la la la
                                                                    Fb
How deep is your love
                                                              La la la la la la la la la la
                                                                     Fm
Refrão:
                                                              La la la la la la la la la la
                                                                    Ab7
                                                                                      Gm
                                                             And you come to me on a summer breeze
Is your love, how deep is your love
                                                                     Fm
                                                              Keep me warm in your love, then you softly leave
                 Abm
I really mean to learn
                                                                                   Ab
           Eb
                                                              And it's me you need to show
'Cause we're living in a world of fools breaking us down
                                                             How deep is your love
When they all should let us be
                                                             Refrãp:
We belong to you and me
                                                              Is your love, how deep is your love
Verso 2:
                                                                               Ahm
Eb
     Gm
                                                              I really mean to learn
I believe in you
                                                                         Eb
                    G7 Ab
                                                              'Cause we're living in a world of fools breaking us down
           Fm
You know the door to my very soul
                                                             When they all should let us be
            Eb
                      Gm
You're the light in my deepest, darkest night
                                                             We belong to you and me
         Fm
You're my savior when I fall
                                                                                        F<sub>b</sub>7
                                                             How deep is your love, how deep is your love
        Ab7
And you may not think I care for you
                                                              I really mean to learn
When you know down inside that I really do
                                                                        Eb
                                                                                              Bbm
                                                              'Cause we're living in a world of fools breaking us down
        Gm
                      Ab
And it's me you need to show
        Eb
                                                             When they all should let us be
How deep is your love
                                                                                  Eb Gm
                                                             We belong to you and me
