

Bee Gees - I Still Love You

tom:

Intro: **B** **E7M** **E**

B
Close your eyes do what you wanna

Baby how can I wait much longer

Make it hard to believe it happened to me **A** **E**

B
Morning comes too late tomorrow

All you lose is the dream you borrow

All you got is a soul that's born to be free **A** **E**

Abm
And cries to the wind

Waiting for you **A**

My dream will find you someday **E**

I stand beside my vision of you **Fdim** **Gbm7**

And have you lo? **B** **B** **E** ving me

I still love you? **B7** **E7M** Ahhh

I still love you? **B7** **E7M** Ahhh

B
Though you're my imagination

You'll be there when we find salvation

Only then will there be no reason to hide **A** **E**

B
Stormy nights out in the heaven

I believe in the true forever

There's a bright new star when somebody dies **A** **E**

Abm
I cry to the wind

Waiting for you **A**

Sweet love returning someday **E**

The day you learn love happened to you **Fdim** **Gbm7**

You will be here **B** **B** **E** with me

I still love you? **B7** **E7M** Ahhh

I still love you? **B7** **E7M** Ahhh

Am7 **Bb**
I'll be waiting for you

Sweet love returning someday **F**

The day you learn love happened to you **Gbm** **Gm**

You will be here with me **C** **C7** **F**

I still love you? **C7** **F** Ahhh

I still love you? **C7** **F** Ahhh

I still love you? **C7** **F** Ahhh

I still love you? **C7** **F** Ahhh
