

Bee Gees - I Still Love You

tom:

Intro: **B** **E** **E**

B
Close your eyes do what you wanna

B
Baby how can I wait much longer

A **E**
Make it hard to believe it happened to me

B
Morning comes too late tomorrow

All you lose is the dream you borrow

A **E**
All you got is a soul that's born to be free

Abm
And cries to the wind

A
Waiting for you

E
My dream will find you someday

Fdim **Gbm**
I stand beside my vision of you

B **B** **E**
And have you lo? ving me

B7 **E**
I still love you? Ahhh

B7 **E**
I still love you? Ahhh

B
Though you're my imagination

You'll be there when we find salvation

A **E**
Only then will there be no reason to hide

B
Stormy nights out in the heaven

I believe in the true forever

A **E**
There's a bright new star when somebody dies

Abm
I cry to the wind

A
Waiting for you

E
Sweet love returning someday

Fdim **Gbm**
The day you learn love happened to you

B **B** **E**
You will be here with me

B7 **E**
I still love you? Ahhh

B7 **E**
I still love you? Ahhh

Am **Bb**
I'll be waiting for you

F
Sweet love returning someday

Gbm **Gm**
The day you learn love happened to you

C **C7** **F**
You will be here with me

C7 **F**
I still love you? Ahhh

C7 **F**
I still love you? Ahhh

C7 **F**
I still love you? Ahhh

C7 **F**
I still love you? Ahhh
