

Bee Gees - I Surrender

Tom: **D**

Gbm

You come to me, conspiracy of the night.

The heart that you want just happens to be mine.

E

Thieves in the dark, you ought to be locked in chains

D

but you wind up on my side, and what will be will be.

Gbm

That you wear a disguise, the epitome of deceit.

The face of a friend invisible on the street.

E

If you are battling to be mine, I'm victorious in defeat

D

and I surren der (I surrender), I surrender.

G

Anybody want me, anyone know my name.

Do it in a lifetime,

Gbm

you be dust and the soul survives.

Bm

Evens up the score (ah).

Bm A D A

From the highest tow er,

Bm

G

I will call you home.

A

Bm A D A

It's the same old sto ry,

Bm

love will find its own.

Em

And I surren der,

Bm

take me for all time.

Em

Love that lasts forever,

Bm

and I surrender.

Gbm

We are elite, prisoners of the night.

We fight to the finish and savour the delights.

E

It's your body that got me beat, and I'm crumbling at your feet,

D

I surren der (I surrender), I surrender.

(I surrender)
