

Bee Gees - If Only I Had My Mind On Something Else

Tom: **D**

D **D** **D** **D**
Dudu dudu... dudu... dudu...

D **D** **D** **D**
Dudu dudu... dudu... dudu...

D **Gbm**
I could be king of kings

Bm **Gbm**
Wear a crown and all the things

Em **D**
I'd want I'd never need

D **Gbm**
I'd be an ace in an aeroplane

Bm **Gbm**
and every year I'd fly to Spain

Em
If I could get the nerve

D
to plant the seed

Em **Em** **D**
Oh, tell me how to say goodbye

Em **D**
I see her face in myself

Em **A7** **D**
Why, tell me why I made her cry...

Em **D**

If only had my mind on something else

D **Gbm**
Captain of the submarine

Bm **D**
beneath the icebergs never seen

Em **DM7**
A hero with a medal for everyday

D **Gbm**
I find me fame, reach the top

Bm **Gbm**
I keep on pushing, never stop

Em **D**
If I could just forget her name

Em **Em** **D**
Oh, tell me how to say goodbye

Em **D**
I see her face in myself

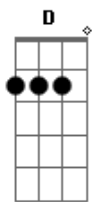

Em **A7** **D**
Why, tell me why I made her cry...

Em **D**
If only had my mind on something else...

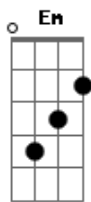

Em **D**
If only had my mind on something else...

D **D** **D** **D**
Dudu dudu... dudu... dudu...
