

# Bee Gees - Love You Inside Out

Tom: **D**

**Bm**  
Baby, I can't figure it out your kisses taste like honey

Sweet lies don't gimme no rise

Oh, oh what you're trying to do? **D**

Livin' on your cheatin' and the pain grows inside me **B**

It's enough to leave me crying in the rain **Em**

Love you forever but you're driving me insane **A**

and I'm hanging on Oh, oh **D B**

**Bm**  
Oh I'll win, I'll never give in, our love has got the power

Too many lovers in one lifetime

ain't good for you **D**

You treat me like a vision in the night **Am**

Someone there to stand behind you **B**

When your world ain't working right **Em**

I ain't no vision, I am the man who **Bm Gbm**

Loves you inside out **Em Gbm Bm**

backwards and forwards with my heart hanging out **D**

I love no other way **Em Gbm Bm**

What am I gonna do if we lose that fire? **Em A**

**Bm**  
Wrap myself up and take me home again

Too many heartaches in one

lifetime ain't good for me **D**

I figure it's the love that keeps you warm **Am**

**B**

Let this moment be forever

we won't ever feel the storm **Em**

I ain't no vision, I am the man who **Bm Gbm**

backwards and forwards with **Em**

my heart hanging out **D**

I love no other way **Em Gbm Bm**

What am I gonna do if we lose that fire? **A**

Don't try to tell me it's all over **Am**

I can't hear a word I can't hear a line

No man could love you more

And that's what I'm cryin' for

You can't change the way I feel inside **D**

You are the reason for my laughter and my sorrow **G Bm**

Blow out the candle I will burn again tomorrow **Em A A7**

No man on earth can stand **D**

between my love and I **Am**

And no matter how you hurt me **B**

I will love you till I die **Em**

I ain't no vision, I am the man who **Bm Gbm**

Loves you inside out **Em Gbm Bm**

backwards and forwards with **Em**

my heart hanging out **D**

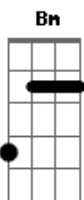

I love no other way **Em Gbm Bm**

What am I gonna do if we lose that fire? **Em A**
