Bee Gees - Lovers And Friends

Tom: G G Intro: Am G D And I'll make you understand, and I'll never let you go. D D Many are the nights I fly alone, Many are the nights I lie awake, I dream of you, I dream of home I listen to each breath you take G And it all gets sold away, G And when your world is cold, D D and you don't hear a thing I say, come to me and you've got no place to go, look for me D Bm Here is life and then it's gone, Many are the moment we're apart, I'm half myself, I've got no heart Bm it's just that way for everyone, G When my world is cold, Α the sun will set on our love everyday D and I've got no place to go, look for me Bm D Bm Dreams can die be-fore their born, Lovers and friends, we've only just begun, Bm Α G truth is on the wind, as tall as the mountain high, as long as the river runs Bm А And while we've got each other's souls, D Е G Α Lovers and friends, we've got everything bound by each other's souls D (Chorus) And I'm bound to hold you in my hand Α and I'll make you understand D Bm G D Lovers and friends, taken from high above, And I'll never say goodbye, ... I'll never let you go G G I become yours tonight, Tell me it's me you love (Heavenly angels hard to find, they are of the special kind. D F Lovers and friends, bound by each other's souls, D G D someone playing on your mind, love is never far behind) And I'm bound to hold you in my hand, REPEAT
