

Bee Gees - Man For All Seasons

Tom: C

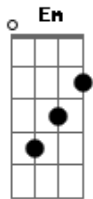

Everybody wants to leave
Just like you and i.
I have all year to smile,
A tear for every eye.
Life closed its eyes,
Broke my world,
Now i'm cry.
I've got to tell you,
I've got the reasons,
'cause i'm a man,
A man for all seasons,
alive.
And would you pray

What makes the world go round,
I haven't got today,
My mind is lost and found.
Life closed its eyes
And said goodbye,
Now i'm cry.
But i've got to tell you,
I've got my reasons,
'cause i'm a man,
A man for all seasons,
alive.
Du du du du du du du
I'm a man for all seasons.
I'm a man for all seasons.
