Tom: **G**
Intro: **C7** : **B** : **B7**

E7
Oh, girl I've known you very well
I've seen you growing everyday

A
I never really looked before
But now you take my breath away.

E7
Suddenly you're in my life
Part of everything I do

A
You got me working day and night
Just trying to keep a hold on you.

G **A** **D** **Bm**
Here in your arms I found my para...dise
G **A** **Gbm**
My only chance for happiness
G **A** **D** **Bm**
And if I lose you now I think I would die.

C7
Oh say you'll always be my baby
We can make it shine, we can take forever
B
Just a minute at a time.

C7 **G** **Am**

More than a woman, more than a woman to me
C7 **G** **Am**
More than a woman, more than a woman to me

C7 | **B** | **B7**

There are stories old and true
Of people so in love like you and me
And I can see myself
Let history repeat itself.
Reflecting how I feel for you
Thinking of those people that
I know that in a thousand years
I'd fall in love with you again.

This is the only way that we should fly
This is the only way to go
And if I lose your love I know I would die.

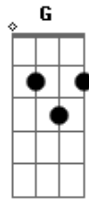

Oh say you'll always be my baby
We can make it shine, we can take forever
Just a minute at a time.

More than a woman, more than a woman to me
More than a woman, more than a woman to me

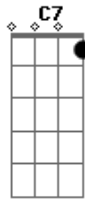

More than a woman, more than a woman to me
More than a woman, more than a woman to me

(Repeat chorus and fade out)
