

# Bee Gees - Obsessions

Tom: A

A Gbm Bm E Gbm Gbm

A It happened in the middle of the night,  
Gbm when I thought I had control.

A Didn't want to be the one to fight,  
Gbm didn't want to lose my soul.

B2 I was up for something more.

Never thought I'd get it started.  
Bm Paralyzed, E polarized, D hung on every word.

A I'm in love with the child inside. Gbm

B2 I don't have a right to follow you  
or have a license to get closer.

A A love that won't be denied. Gbm

B2 For you are something like I've never seen.  
I'm a man whose heart is crying.

A Just another one of my obsessions.

E You don't want to be a special toy.

D I never be the one to hurt you.  
Bm Like every other girl and boy.

A Just another little indiscretion.

E Another game that you want to try.

D You can never be unfaithful

Bm if you gotta love somebody.

A Gbm Bm E Gbm add9

A Want to make your mountains high.

Gbm add9 Want to take your valley low.

A There's a moral to my story.

Gbm Let me in and close the door

B2 Until the morning light.

What I'd give to live inside you.

Bm Make me wait, we separate

E but only to return. D

A Whisper and I'll be there. Gbm

B2 I don't want you to beg me to stop.

I just want to drown in your desire.

A Love is for those who dare. Gbm

B2 All the cream is rising to the top.

And it's the love you save from dying.

Ah

B Just another one of my obsessions.

Gbm Something I could never find.

E It's the kind of love that makes your heart

Dbm feel obsessed with mine.

B Any battle for the one possession.

Gbm Another game that you want to try.
