Intro: Dm Am Dm

I know how I feel  
Lonely in the black of night  
There can be no love for me now  
Nobody listens when the words ain't right  
And you get into someone else  
It's hard for me to know, who's lovin' who  
And where do I stand  
What did I do it all for  
There's no one I could love more  
I did it for your heart alone  
All that I try to be growin inside to me  
I can be strong if you're there  
And there is someone belonging to someone  
And I got no one belonging to me  
Caught in a world where the face of an angel  
Is all a fool can see  
You got the power to find me whenever I'm lost  
Where are you? Who are we?  
I believe in time  
Can eat away a heart of stone  
And baby if I leave you too late  
It's just a feather and the bird has flown  
It's colder when the fire dies

And all the trouble I'm in if I lose you too  
Then what is my life  
If I don't wanna go through  
Anything without you  
Couldn't be a life at all  
I could be lyin' on, you are the only one  
We didn't make it by chance  
And there is someone belonging to someone  
And I got no one belonging to me  
Caught in a world on the edge of tomorrow  
Is all a fool can find  
I don't belong in the arms of a love that is lost  
Nowhere to cry  
There must be something we can say my love  
Something except goodbye  
Then what is my life  
If I don't wanna go through  
Anything without you  
Couldn't be a life at all  
I could be lyin' on, you are the only one  
We didn't make it by chance  
And there is someone belonging to someone  
And I got no one belonging to me  
And there is someone belonging to someone  
And I got no one belonging to me
