Here is the tab to "Stayin' Alive." The song is in the key of **A** flat, but all the Ds are played as natural instead of flattened. I have put the chords under the tab charts instead of over the lyrics. The chord changes appear to be few and far between; that is just because of the fast 4/4 tempo.

By the way, could someone please, please, please post the tab to "Don't Stand So Close to Me" by the Police?

Exceed your disk quo,
Proceed to disco. :)
