 we don't need to worry, but you,
 you never say you're sorry.
 A F G A

 And where you're leading me
 Gbm Dbm
 I don't have the will to fight
 Gbm Bm
 Out of the darkness and into the light.
 Dbm
 But living in your arms, I can take it.

 Please don't make me shiver.

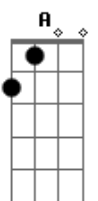

I know together we deliver.

A F
 Let the gods decide
 G A
 who finds the sweetest thrill.

 Who can justify the truth?

 God, I love you still.
