

## Bee Gees - Sun In My Morning

tom:

**Em**

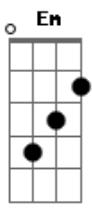

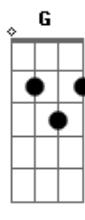

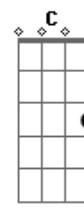

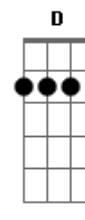

When all my troubles just surround me  
**Em** **C** **G**  
 And all my problems seem to grab me  
**D** **C**  
 There is the thing I?m thinkin' of  
**Em** **C** **G**  
 Sun in my morning and my sky above  
**Em** **C** **G**  
 Sun in my morning and my sky above

**Em** **G**  
 I?m not like you; I?m not a rich man  
**Em** **C** **G**

I work and do the best that I can  
**D** **C**  
 There is the place I?m thinkin' of  
**Em** **C** **G**  
 Sun in my morning and my sky above  
**Em** **C** **G**  
 Sun in my morning and my sky above

**Em** **G**  
 I've got my woman there to guide me  
**Em** **C** **G**  
 In all my darkness she will guide me  
**D** **C**  
 She is the thing I?m talkin' of  
**Em** **C** **G**  
 She?s my sun in my morning and my sky above  
**Em** **C** **G**  
 My sun in my morning and my sky above
