

Bee Gees - While a play

Tom: C

^C
Baby, baby, baby don't leave me,
^{Dm} ooh, please don't leave me all by myself.
^F I've got this burning, burning, yearning feelin' inside me,
^{Dm} ooh, deep inside me, and it hurts so bad.
^F You came into my heart, so tenderly,
^{Dm} with a burning love that stings like a bee.

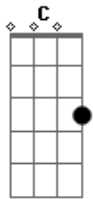

^F Now that I surrender, so helplessly,
^{Dm} you now wanna leave, ooh, you wanna leave me.
^F Ooh, baby, baby, baby, where did our love go?
^{Dm} Ooh, don't you want me, don't you want me no more?

^F
Ooh, baby.

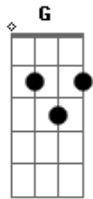

(Instrumental:) C G Dm F G

^F ^C Baby, baby, where did our love go,
^{Dm} and all your promises of a love forever more.
^F I've got this burning, burning, yearning feelin' inside me,
^{Dm} ooh, deep inside me, and it hurts so bad.
^F Before you won my heart, you were a perfect guy,
^{Dm} but now that you got me, you wanna leave me behind.
^F ^C Ooh baby, baby, baby don't leave me,
^{Dm} ooh, please don't leave me all by myself.
^F ^C Ooh, baby, baby, where did our love go.
