

# Bee Gees - With my eyes closed

Tom: G

**Em**  
Say you never send me away.  
Making me a memory and  
telling me to find me a life

**Bm7**  
change, there's no changing,

**Em** **Bm7**  
what cannot be changed.

**Em**  
And you are witness to a silent conversation.

**Em**  
Nothing but the black of night.  
No-one ever takes your place.

**Bm7**  
Gotta let the pantomime play.

**Em** **Bm7**  
Not to worry, my tele pathy.

**Em**  
I bring you into me, there's be no separation.

**Am**  
And I tell you

**Em**  
I will climb inside your world,

**Am**  
and at the dawn of history

**Em**  
I was born to find this girl.

**Bm7** **Em**  
And I can see you with my eyes closed.

**Bm7**  
I can feel you when you're near me.

**B7**  
Just the knowing that you

**Am7**  
hear me, could be,

**Em**  
you could measure my love.

**Bm7** **Em**  
I can touch you with my hands tied (words of love).

**Bm7**  
It don't take no extra feeling (you won't believe).

**B7** **Am7**  
Let your imagination, just run (take a hand).

**Em**  
You can measure my love.

**C**  
And they tell you

**D** **Em**  
they can stop those tears you cry.

**C** **D** **C**  
And we can ride that storm together,

**D** **Em**  
and all the love that lasts forever,

**Bm7**  
and forever and forever.

**Em**  
Cling to the vine and the vine never breaks.  
It's a message from a ship to shore.  
For the soul and the sacrifice,

**Bm7**  
pain.

**Em** **Bm7**  
There's no fury like a woman scorned.

**Em**  
We could be victims of a lethal combination.

**C**  
It's the hour.

**D** **Em**  
It's the sword that hides the stone.

**C** **D** **C**  
And one of us holds the power

**D** **Em**  
there to forge our hearts together,

**Bm7**  
here forever and forever.

**Bm7** **Em**  
And I can see you with my eyes closed.

**Bm7**  
I can feel you when you're near me.

**B7**  
Just the knowing that you

**Am7**  
hear me, could be,

**Em**  
you could measure my love.

**Bm7** **Em**  
I can touch you with my hands tied (words of love).

**Bm7**  
It don't take no extra feeling (you won't believe).

**B7** **Am7**  
Let your imagination, just run (take a hand).

**Bm7** **Em**  
You can measure my love.
