

# Bee Gees - You Stepped Into My Life

Tom: C

**Em**  
You stepped into my life and **Bm7** oh, so happy.

**Em**  
You stepped into my life and **Bm7** oh, so happy.

**Am**  
You stepped into my life,

stepped into my life,

stepped into my **Em** life

and **Bm7** I'm, oh, so happy.

**Em**  
You stepped into my life and **Bm7** oh, so.

**Am**  
Before you came my way

**C**  
I always checked this out,

**B7**  
so much pain in love

**Em**  
and so alone inside.

**Am**  
I never thought that I'd

**C**  
believe in love so much,

**B7**  
but, darling, when you came close to me,

suddenly, suddenly.

**Em**  
You stepped into my life and **Bm7** oh, so happy.

**Em**  
You stepped into my life and **Bm7** oh, so happy.

**Am**  
You stepped into my life,

stepped into my life,

**Em**  
stepped into my life

**Bm7** **Em** **C** **Bm7** **Em** **C** **Bm7** **C** **B7**

**Em**  
You stepped into my life and **Bm7** oh, so happy.

**Em**  
You stepped into my life and **Bm7** oh, so.

**Am**  
You will never know

**C**  
What you have done, my love.

**B7**  
You gave me so much more

**Em**  
Than my love is worthy of.

**Am**  
Beneath my very soul

**C**  
I kneel before your touch.

**B7**  
Your touch is ecstasy,

close to me,

suddenly, suddenly.

**Em**  
You stepped into my life and **Bm7** oh, so happy.

**Em**  
You stepped into my life and **Bm7** oh, so happy.

**Am**  
You stepped into my life,

stepped into my life,

**Em**  
stepped into my life

**Bm7**  
and I'm, oh, so happy.

**Em** **Bm7** **Am** **Em7**  
You stepped into my life and I'm, oh, so.
