Tom: C

^{Em} You stepped into my life and ^{Bm} I'm, oh, so happy.

^{Em} You stepped into my life and ^{Bm} I'm, oh, so happy.

^{Am} You stepped into my life,

stepped into my life,

stepped into my ^{Em} life

and ^{Bm} I'm, oh, so happy.

^{Em} You stepped into my life and ^{Bm} I'm, oh, so.

^{Am} Before you came my way

^C I always checked this out,

^{B7} so much pain in love

^{Em} and so alone inside.

^{Am} I never thought that I'd

^C believe in love so much,

^{B7} but, darling, when you came close to me,

suddenly, suddenly.

^{Em} You stepped into my life and ^{Bm} I'm, oh, so happy.

^{Em} You stepped into my life and ^{Bm} I'm, oh, so happy.

^{Am} You stepped into my life,

stepped into my life,

^{Em} stepped into my life

^{Bm} ^{Em} ^C ^{Bm} ^{Em} ^C ^{Bm} ^C ^{B7}

^{Em} You stepped into my life and ^{Bm} I'm, oh, so happy.

^{Em} You stepped into my life and ^{Bm} I'm, oh, so.

^{Am} You will never know

^C What you have done, my love.

^{B7} You gave me so much more

^{Em} Than my love is worthy of.

^{Am} Beneath my very soul

^C I kneel before your touch.

^{B7} Your touch is ecstasy,

close to me,

suddenly, suddenly.

^{Em} You stepped into my life and ^{Bm} I'm, oh, so happy.

^{Em} You stepped into my life and ^{Bm} I'm, oh, so happy.

^{Am} You stepped into my life,

stepped into my life,

^{Em} stepped into my life

^{Bm} and I'm, oh, so happy.

^{Em} You stepped into my life and ^{Bm} I'm, ^{Am} oh, so. ^{Em}
