

Beeshop - I Was Born In The 80's

```
Intro: D Em C
Verso 1:
I was just a boy
        Em
Couldn't afford most of the toys
so we just hanged out in the streets
'Girl, I don't dance, I just do the beats.'
Industrial neighborhood
      Em
I lived my life the way I could
my house was all painted in green
I can't forget most of the scenes
because I'm getting old!
I'm not a kid anymore
I'm getting old
                      C ( C )
I'm not a kid anymore
Refrão:
```

```
that's why I sing this song
my memories are faded
but they aren't gone
well I was born in the 80's
and I miss them too
I don't get totally crazy
only because of you
( D Em C )
I had a bike
I had a dog, his name was spike
we used to play ball all night long
we used to play hair metal songs
I bought a guitar
        Fm
my tunes have taken me so far
I can't remember most of the nights
            Em
'cause of the vodka, lime and ice
(Ponte)
(Refrão)
