Dm           G              Dm
   I hear sirens in my head
             G              Dm            F
We?ve been driving in this unknown lane
           G              Am     F
What if I am scared? I?m just human
           G              Am     F
What if I am scared? I?m just human

           G              Dm
All the lines now are blurred
       G              Dm         F
I get lost in the things I heard
           G              Am     F
What if I am scared? I?m just human
           G              Am     F
What if I am scared? I?m just human

           G              Dm
If it?s faster, we could fall
       G      Dm              F
```
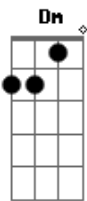

```
Hands on hearts, hearts in hope
           G              Am     F
What if I am scared? I?m just human
           G              Am     F
What if I am scared? I?m just human

           G              Am     F
What if I am scared? I?m just human
           G              Am     F
What if I am scared? I?m just human
           G              Am     F
What if I am scared? I?m just human
           G              Am     F
What if I am scared? I?m just human
           G              Am     F
