 Intro: Dm G Am
 C Dm G Am

[Primeira Parte]

Dm G Am
 Crashing clouds ever changing shapes that tell a story

I see a story up there
 Dm G Am
 Greedy eyes now cry 'cause they forgot to take

The greatest price

Dm G
 And children running, one falls behind
 Am
 I hear her calling, I think she's calling

[Pré-Refrão]

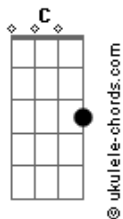

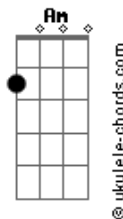

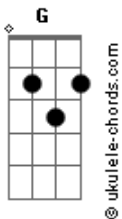

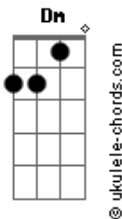

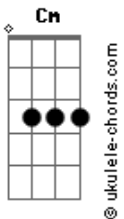

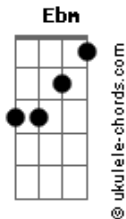

G Am
 A pretty name that I forgot
 G Am
 I got distracted watching shapes in the clouds

[Refrão]

Dm G
 But since we're all just dust in the wind
 Am
 I'll keep on telling stories that never happened
 But maybe they one day will

(Dm G Am)

Acordes

(Dm G Am)

[Segunda Parte]

Dm G Am
 Broken hearts relearn to love against their promise

The one they once made
 Dm G Am
 And fields of daisies that one day will lose their petals

[Pré-Refrão]

Am G
 'Cause they hold your fate although your name
 Am
 Well I forgot
 G Am
 I got distracted watching shapes in the clouds

[Refrão]

Dm G
 But since we're all just dust in the wind
 Am
 I'll keep on telling stories that never happened
 But maybe they one day will
