Intro: Am

               C
I hear it calling
                Am
Deep down in my dreams
              C
The wind is blowing
  G
Something lost in me

Am            C
In the wind there is

(In the wind there is)
Am            C
In the wind there is
               G
(In the wind there is a whisper)

F   G    Am
Calling me
F   G    Am
Calling
F                    G
There?s nothing else to do
                    Am
There?s nowhere else to go
                            F
There?s nothing else to live for anymore
                    G
There?s nothing else to do
                    Am
There?s nowhere else to go

There?s nothing else to live for anymore

( Am )
```
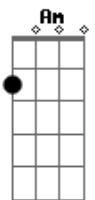

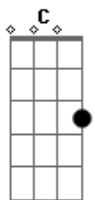

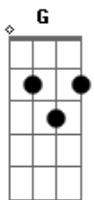

```
               C
So now you know it
                  Am
What has brought me here
                 C
The wind?s been blowing
G
Waiting in the rear

Am            C
In the wind there is

(In the wind there is)
Am            C
In the wind there is
                 G
(In the wind there is a whisper)

F   G    Am
Calling me
F   G    Am
Calling
F                    G
There?s nothing else to do
                    Am
There?s nowhere else to go
                              F
There?s nothing else to live for anymore
                    G
There?s nothing else to do
                    Am
There?s nowhere else to go
                          F   G  Am
There?s nothing else to live for anymore

     F   G  Am
Anymore
     F   G  Am
Anymore
