2x

C **D**
Oh light a candle's fire
G **C**
Carries a good name
D
What would you ask a camp fire?
G **C**
It scares me just the same
D
And you you had it all along
G **C**
An endless need for games
D
Just don't forget a candle's fire
G
Is only just a flame
(REPETE MESMA SEQUÊNCIA)

I it's certain from a far
Failed to pull my weight
But you were light
You travelled through the fog
To arrive at our frontgate
(REPETE MESMA SEQUÊNCIA)
Tonight we rest beside the fire
A smile upon your face
Just don't forget a candle's fire
Is only just a flame

Am **D** **G** **C**
If I had known not to carry on that way
Am **D**
It wouldn't show
G **C**
In the creases of your face
Am **D**
If you should go
G **C**
Would you carry on my name?
Am **C**
Just let it blow
G **D**
In the fog on Bishop's Lane
