

Bella Kay - iloveitloveitloveit

tom:

I like being used, it means I have a purpose
 It's the little things you do, at least you're being earnest
 Oh, maybe I'm too fragile
 Or maybe you're too mean
 I've never been real good at deciphering things

Let's let fate decide
 Heads, we go to yours, tails we go to mine
 You're a bad idea
 But a real good time

Oh, and I'd be lying if I said I didn't love it, 'cause I do
 I'm a couple minutes out from relapsing into you
 Oh fuck it
 Baby, I love it
 I love it, I love it, I
 I love it when we fight, and I like it when you're mean
 We don't have to get into what that says about me
 Oh, shut it
 Baby, I love it
 I love it, I love it, I

I could tell you the truth, but first you gotta earn it
 Don't gotta lasso the Moon, just tell me that I'm perfect
 Oh, maybe I'm too easy (oh, maybe I'm too easy)
 But maybe you're too hard (but maybe you're too hard)
 I've always been real good at taking it too far

Let's let fate decide
 Heads, we go to yours, tails we go to mine
 You're a bad idea
 But a real good time

Oh, and I'd be lying if I said I didn't love it, 'cause I do
 I'm a couple minutes out from relapsing into you
 Oh fuck it
 Baby, I love it
 I love it, I love it, I
 I love it when we fight, and I like it when you're mean
 We don't have to get into what that says about me
 Oh, shut it
 Baby, I love it
 I love it, I love it, I

(Hum) I'm a couple minutes out from relapsing
 Do you remember the last time this happened?
 (Hum) Baby, relax, sometimes it happens
 Baby, relax, sometimes it happens
 (Hum) I'm a couple minutes out from relapsing
 Is the key still under the mat?
 (Hum) Can you imagine the last time this happened?
 Yeah, I, I loved it, I, I loved it, I

I'd be lying if I said I didn't love it, 'cause I do
 I'm a couple minutes out from relapsing into you
 Oh fuck it
 I only love it 'cause it's you
