

# Belle And Sebastian - Get Me Away From Here, I'm Dying

Tom: **Db**

(com acordes na forma de **C**)  
Capostrate na 1ª casa  
Intro: **F**

Verso 1:

**F** **C** **Dm**  
Oh! Get me away from here I'm dying  
**Am** **Bb**  
Play me a song to set me free  
**F** **Bb**  
Nobody writes them like they used to  
**C** **F**  
So it may as well be me

**C** **Dm**  
Here on my own now after hours  
**Am** **Bb**  
Here on my own now on a bus  
**F**  
Think of it this way  
**G** **Bb** **C**  
You could either be successful or be us

Refrão:

**Bb** **C**  
With our winning smiles, and us  
**Bb** **C**  
With our catchy tunes and words  
**Bb**  
Now we're photogenic  
**Dm** **Am** **Bb** **F** **Bb**  
You know we don't stand a chance (we don't stand a chance)  
( **Bb** **F** )

Verso 2:

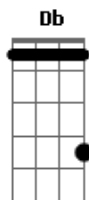

**F** **C** **Dm**  
Oh I'll settle down with some old story  
**Am** **Bb**  
About a boy who's just like me  
**F** **Bb** **C**  
Thought there was love in everything and everyone  
**F**  
You're so naive!  
**C** **Dm**  
They always tell a sorry story  
**Am** **Bb**

They always get it in the end  
**F** **G** **Bb** **C**  
Still it was worth it as I turned the pages solemnly, and then  
**Bb** **C**  
With a winning smile the boy  
**Bb** **C**  
With naivety succeeds  
**Bb** **Dm**  
At the final moment, I cried  
**Am** **Bb** **F** **Bb**  
I always cry at endings  
( **Bb** **F** )

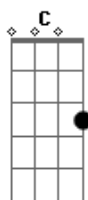

Verso 3:

**F** **C** **Dm**  
Oh, that wasn't what I meant to say at all  
**Am** **Bb**  
From where I'm sitting, rain  
**F** **Bb**  
Falling against the lonely tenement  
**C** **F**  
Has set my mind to wander  
**C** **Dm**  
Into the windows of my lovers  
**Am** **Bb**  
They never know unless I write  
**F** **G** **Bb** **C**  
"This is no declaration, I just thought I'd let you know  
goodbye"  
**Bb** **C**  
Said the hero in the story  
**Bb** **C**  
"It is mightier than swords  
**Bb**  
I could kill you sure  
**Dm** **Bb** **F**  
But I could only make you cry with these words"  
**Bb** **F**  
Cry with these words (3x)  
( **Bb** )  
**F** **Bb** **F**  
Ooh! Get me away I'm dying (3x)  
( **Bb** **F** )
