

# Belle And Sebastian - I Don't Love Anyone

Tom: B

I don't love anyone  
 You're not listening  
 You're playing with something  
 You're playing with yourself  
 I don't love anyone  
 You're not listening even now  
 You're playing with something  
 You're playing with someone else  
 And if there's one thing that I learned when I was still a child  
 It's to take a hiding  
 I don't love anything  
 Not even Christmas  
 Especially not that  
 I don't love anything  
 No, I don't love anyone  
 Maybe my sister  
 Maybe my baby brother too, yeah  
 I don't love anyone

If there's one thing that I learned when I was still a child  
 It's to take a hiding  
 Yeah if there's one thing that I learned when I was still at school  
 It's to be alone  
 Out in the street today  
 The kids are out playing, having fun  
 I pass them by I'm not a kid, no  
 I don't love anyone  
 I met a man today  
 He told me something pretty strange  
 There's always somebody saying something  
 He said, "The world is as soft as lace."  
 But I don't love anyone  
 But I don't love anyone  
 But I don't love anyone  
 But I don't love anyone  
 If there's one thing that I learned when I was still a child  
 It's to take a hiding
